RE: **Daily Student Attendance**

Dear Parents/Guardians,

Please be reminded that on October 19, 2020, the Elmwood Park School District will be welcoming our students back into the district for hybrid learning. The below outlines the district's daily student attendance procedures starting on October 19, 2020.

### Remote Students

When students are learning from home, student attendance will continue to be taken through the Real Time link found on each school's website. This is the same process of how attendance has been taken throughout the beginning of the school year.

- Log into your child's school website:  
[www.elmwoodparkschools.org](http://www.elmwoodparkschools.org)  
Select the school from the top
- Choose the black chalkboard to enter your child's attendance on the school's website  
(See an example of High School)
- Use this link on the day's students are learning from home.
  - Cohort A- Wednesday, Thursday, Friday
  - Cohort B- Monday, Tuesday, Wednesday
- Students who are **Total Remote Learners**, and will not attend in-person instruction must use the above link **every day**.
- This information is due by: Elementary 8:45 a.m. / High School and Middle School 8:00 a.m.

\*Again, please use the above directions **ONLY** when your child is learning from home

### In-Person Instruction

On the days that the students who attend school for in-person instruction will have their attendance taken by the teacher.

Should you have any other questions, please do not hesitate to contact your child's building principal.

Sincerely,

  
Anthony Iachetti, Superintendent of Schools
