RE: SCHOOL CROSSING GUARD POST CHANGES

Due to recent budgetary constraints imposed by the State, it has become necessary to re-configure the level of public service the Borough of Elmwood Park is able to provide. While the necessary cuts will be across the broad spectrum of services, it has become necessary to abolish several school crossing guard positions as part of these mandates. These cuts will be effective for the upcoming school year.

Below is a list of posts that will no longer be covered by a crossing guard. Please notify the parents of students who are transported by bus to your school of these changes. This will not affect bus routes and schedules.
